Minister Kathleen Lynch TD to Launch 3 Year Strategic Plan at Exchange House Ireland

Dublin, Ireland: Exchange House Ireland National Traveller Service publicly presents its' Strategic Plan 2015 – 2017 **talk with us | learn with us | grow with us**, on Thursday June 25th with Minister Kathleen Lynch, TD.

“talk with us | learn with us | grow with us is not just a strategic plan, it is an outcome of the growth and development we have experienced over the last number of years. As an organisation we have taken the time to reflect and continue to build upon our core strengths. This document allows us to share with you; our new vision, values and mission, our key successes, and our plans for the future. This development is the culmination of our growth, learning and our ability to embrace change. It stands on the shoulders of giants” Catherine Morley, Chief Executive

The launch will be taking place in our main office on 61 Great Strand Street at 1.30pm on June 25th. We ask all attendees to please email confirmation of their attendance to dearbhail.lawless@exchangehouse.ie . If you have any queries please don't hesitate to contact us on 01 872 1094.

Exchange House Ireland:

- **Exchange House Ireland** has over 35 years' experience providing Traveller specific, professional, front-line family support, crisis intervention, education, training and children and young people's services in Ireland. Our “best practice” model is funded by the Health Services Executive, City of Dublin Youth Services Board, Department of Social Protection, Department of Children and Youth Affairs, SOLAS, Pobal (Dormant Accounts Fund), the European Union and a variety of charitable trusts.
- We hold the contract from the **HSE National Office for Suicide Prevention** to deliver the **National Traveller Suicide Prevention Service** and are funded by the Genio Trust to deliver Ireland's only Traveller specific mental health service – **Travelling to Well-Being**.
- We also hold **Quality Qualifications Ireland (QQI)** accreditation, and is approved by FETAC to design, develop, deliver, quality assure and accredit education and training courses.
- Annually, we work with over 8,000 Travellers who are our clients, learners and national and international programme participants, us the largest Traveller specific service provider in Ireland.
